

Focus On Our Future Mission – Commitment Form

As a community of faith, Cole Harbour Woodside United Church reaches out to our congregation and the wider community through the many ministries in which we participate. Your contributions help to fund such things as Sunday School and Youth Programming, pastoral care through Pastoral Care Team, Prison Ministry, Worship at local long-term care facilities and funeral ministries, as well as many other ministries as part of our mission of **'Offering the Care and Comfort of Christ'**. Your offering supports the work of our Unified Board and Committees to maintain our building and support our staff. In recent years, together we dreamed of adding a half-time Associate Minister to our ministry team.

To fulfill these dreams, you have given generously of your time, your talent and your treasure, and we thank you. To enable us to continue the amazing ministries we have, requires a financial commitment from all of us.

By using this Commitment Form, you are letting us know we can depend on your ongoing support so that we can budget for 2019 Mission and Ministry expenses. We are asking you to increase your offering to *Local Expenses* in 2019 and in following years.

Name : _____ PAR or Envelope # : _____

Address : _____

I / We pledge to increase our financial commitment to Local Giving's as follows:

\$ _____ Per Week : _____ Per Month : _____ Per Year : _____

Effective : _____
